

BHASKARA ANNAYAPPA

**TO WHOME SO EVER IT
MAY CONCERN**

Mar 23, 2024

Dear Employer

Greetings for the day

I am Bhaskara Annayappa

Accomplished, result oriented technocrat, high performing technical expert, innovator with 15 years of progressive global experience in delivering cutting-edge technology systems for customers in Automotive sectors.

Highly adaptable, problem solver with proven record in delivering high quality products by partnering with clients and service teams to isolate technology gaps and generate increased productivity through innovative systems implementations.

I want to contribute to humanity for a more livable world by developing my engineering skills, as well as research and development on embedded systems and automotive sector

Your sincerely

BHASKARA ANNAYAPPA
